1. The military units listed below are located in and around Sofia:

a. An unidentified infantry regiment is located about two kilometers north of Pancharevo (N 42-35, E 23-34), Sofia Okoliya, on the Sofia-Samokov highway, where it is billeted in one-story wooden buildings.

b. An unidentified infantry regiment is located 100 to 150 meters northeast of Boyana (N 42-39, E 23-16), Sofia Okoliya, about halfway between Boyana and Sofia. Some of the regiment buildings are wooden and some "stone."

c. About one kilometer from the Tsiganski Quarter, on the western edge of Sofia and approximately two kilometers from the Faculty of Zoology farm, between a highway and the Sofia-Dimitrovo railroad in the vicinity of "Sukhopol," is a barracks area as large as a small village containing wooden and concrete buildings. Infantry, artillery, armored and other units are billeted there. Size, unit designation, subordination [redacted] of the unit are not known.

- e. The barracks of an unidentified artillery regiment are located west of the Sofia Central Prison. Truck-drawn 4-wheeled guns with long barrels were seen in the barracks area, which is "large," surrounded by stone walls and contains two large yellow 2-story buildings.
- f. An unidentified unit is quartered in a barracks area surrounded by high walls on General Stoletov Street and north of Sofia Central Prison. It is not an infantry or engineering regiment and may possibly be a communications unit because many enlisted men who wore the insignia of telephone operators were seen entering the area. A large number of trucks and other vehicles were also seen there.
- g. An unidentified engineer regiment is situated between the Ivan Vazov and Lozenets Quarters of Sofia on the bank of the Perlovska River in a barracks area which is surrounded by a barbed wire fence and contains many large buildings and garages. The regiment engages in bridge building practice on the Perlovska River and practices laying mine fields in a level area behind the "Baba Tonka" girls' boarding school.
- h. The 4 Transportation and the 1 Engineer Regiments are located just at the beginning of the Sofia-Knyazhevo highway and northwest of the highway and the streetcar line next to the Zavod 12 truck factory in the Lagera Quarter of Sofia. The 1 Engineer Regiment has several large buildings [redacted] and the 4 Transportation Regiment has a very large E-shaped yellow building as well as a garage. A few other new buildings have been constructed in recent years which [redacted] are headquarters buildings. The regiment has an unidentified number of new ZIS trucks parked in rows in an open field on the other side of the railroad track. 25X1
- i. The barracks of an unidentified antiaircraft artillery regiment are located in the southern part of Lozenets Quarter of Sofia near the brick factory and next to the radio station on a hill. The side nearest the brick factory, or the western side of the hill, is a steep bluff and the remainder of the perimeter of the barracks area is protected by barbed wire. The buildings are 1-story wooden sheds. The unit has antiaircraft guns mounted on four wheels with barrels about three meters long placed along the western edge of the barracks area on the heights overlooking the Lagera Quarter of Sofia, the heights in Gevgeliyski Quarter, the heights in Slatina Quarter as well as by railroad stations and near heavy industry plants. For example, two are placed by the Poduene Railroad Station and two on the roof of the Komuna factory.
- j. An unidentified unit has barracks southeast of Sofia on the Sofia-Plovdiv highway opposite a large city park.
- k. Four kilometers southeast of Sofia, also on the Sofia-Plovdiv highway, is a large barracks area with at least seven 2 or 3-story buildings possibly occupied by artillery and armored units. Tanks and artillery pieces mounted on four wheels and towed by trucks were seen leaving the area. One of the officers of this unit is First Lieutenant Zhivko Ivanov Yordanov. [redacted]
- l. An unidentified air force unit, [redacted] is located at Bozhurishte Airfield, Sofia. 25X1
- m. Trudovak barracks are in the Lagera Quarter of Sofia near Zemyane Quarter.
